

Wooranna Park's Wonderings

Wednesday 11 October 2023

Hi everyone,

I hope that everybody had the opportunity for some enjoyable family time over the school break and that you have been able to make the most of the extra sunlight and warmer weather now here. It's the perfect time to get involved in some more physical activity, which we know has innumerable benefits to both our physical and mental health, for adults and children alike.

Uniform in Term Four

It has been great to see so many students remaining safe, wearing their broad brimmed navy-blue hat during any outside activities. As part of our [Dress Code policy](#) such hats are required from the beginning of Term Four, until the end of April 2024.

Teachers on play support will be reminding students that **No Hat makes for No Play**. Students without an approved hat will be directed to remain in a shaded area.

Also, thank you for helping to ensure your child learns the importance of wearing the **correct school uniform**. A school uniform removes the sense of competition in dress, which can often cause stress amongst students and it also has the important safety factor of making Wooranna Park Primary children instantly recognisable.

If you require some assistance in accessing a uniform, please see us at the Office as we are more than happy to help you out so that your child has a strong sense of belonging to the Wooranna Park community. For your convenience we do have sunsmart hats on sale in the front Office for \$5 (small size only in stock currently until further notice).

Emergency Contact Details

It is very important the school has your most **current emergency contact** telephone details, email and home address. If you change telephone details, email or home address at any point, we ask that you update the school with your accurate contact details as soon as possible.

This is a reminder that schools do not provide **personal accident insurance or ambulance cover** for students. Parents/carers of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance and any other transport costs.

After School Care

I do suggest that **all** parents/carers register their child/ren for VillageOSHC in preparation for Term Four, as while you are under no obligation to use this service, it could be a support for you in the event of an emergency. You do have to put in a credit card to complete the enrolment. The credit card will have a \$0.98 cent charge on it to verify it as a real card. That small charge will go into your LookedAfter account and can be put towards your first bill, if you use this service. If you do not end up using this service, that amount will remain until you close your LookedAfter account and the \$0.98 cent charge will be credited back onto your card.

Colour Run

On **Friday 20 October** our fundraising team will be hosting a Colour Run from 2:30pm!

This promises to be an exhilarating and vibrant event surrounding our community with an array of colours and an infectious atmosphere of joy and unity.

Students will gather at the starting line with their house, decked out in white attire, ready to embark on a lap like no other. And as they run, they will be doused with an array of vivid, eco-friendly powdered pigments, transforming them into rainbows. More information about this powder can be found at: <https://www.qualitycolouredpowder.com.au/faqs>

Please ensure your child is wearing a white t-shirt on the day and you may like to deck them out with some sunglasses too!

If you or your child does not want to be splashed in colour please ensure they are wearing a dark t-shirt so that volunteers and staff are aware of their choice.

There will be a **special hot dog lunch pack available for \$5** that can be ordered via XUNO. Orders will be accepted up until 4pm this Friday 13 October.

Our Colour Run promises to be an unforgettable day of laughter, camaraderie and kaleidoscopic memories. Don't miss out on this colourful spectacle that's sure to leave everyone with smiles as bright! A gold coin would be appreciated to support with our fundraising efforts.

If you have decided that you do not want your child to participate in this Colour Run, then please communicate this to your child's teacher via email or XUNO.

We are looking for volunteers to donate some of their time to help with the running of our Colour Run, either the day before or the day of the Colour Run. Please sign up to help at: <https://forms.gle/fHWA4bm8hbdYVWXq7>

Principal For A Day

I will be handing over my job, to selected students to be Principal for a Day on **Friday 27 October!** Students interested in this challenge are encouraged to write an application. These applications need to be submitted by Friday 20 October so that I can select a P-2, 3-4 & 5-6 Principal. I can't wait to share this day with three successful applicants!

Art Show

We will be Celebrating the Artist in You at our Art Show on **Thursday 23 November** from 3.45pm till 5pm.

Students will be submitting artwork, with support from their classroom, which will be on display throughout the TOC from 3:45pm till 5pm.

Students will also be performing items they have been learning and practising as part of their Performing Arts program, alongside the Lyndale Secondary College band. These performances will take place between 4pm and 5pm in the hall (TOC). If students wish to be involved in this performance a [permission notice](#) must be returned to school by Friday 20 October.

School Supervision Hours

Please note that our school grounds are supervised by school staff at the following times:

- Before school from 8:30am to 9:00am
- Throughout recess and lunch
- After school from 3:30pm to 3:45pm.

Students arriving prior to 8:30am must remain in Breakfast Club, regardless of if they eating breakfast or not.

The school grounds are not supervised outside of the above times.

I would also like to share that the park, opposite the school, is not supervised by staff before or after school. While I respect that some families use this area as a meeting place, it is important to understand that children must be supervised by an adult, in this Council area.

Thinking Ahead to 2024

We are now in the process of looking at our student enrolments numbers for 2024 at each year level, in readiness for structuring our teaching teams and grades. If you have any intentions to unfortunately leave Wooranna Park PS next year, can I please ask that you advise the Office in writing immediately. Your decision does not need to be confirmed and does not mean your child loses their spot if you change your mind but giving us a heads up is very helpful. This information is vital for the school to budget and plan for staffing in 2024. Furthermore, if you suspect you may be moving house, travelling overseas or you know your Visa is expiring, please also communicate this to the Office as soon as possible.

If you know of a family or a student who will be attending Wooranna Park PS in 2024 and is not currently enrolled, please encourage them to contact the Office on ASAP

I do like to invite parents to put in writing any information about their child/ren that they want considered by our staff as they go about forming our new grades for 2024. The information you provide should focus on your child's needs (whether they be academic, medical, physical, emotional or social) and the type of person that you believe they respond to best. Please refrain from identifying a specific teacher as it may lead to disappointment for you and your child. We ask that you complete a request even if you have communicated with a staff member at any stage during the year as this will ensure we have an up-to-date record.

A new request also needs to be completed if you have made a request in previous years. To ensure we have a centralised place for all the requests, we ask that you submit a separate request, via the link below for each of your children and be mindful that naming specific teachers or friends will not be considered as this makes the process far too difficult.

<https://forms.gle/7aRNmyJCYfN7Wm4B8>

Requests must be submitted by 9am on Monday 13 November. Using this information, we can then endeavour to select the teacher who we think will best meet your child/ren's needs, as well as the needs of their 2024 classmates.

Kind regards,
Amanda Ellaby
Executive Principal

SHARING OUR OF LEARNING

In the last week of term three, the Preps went on their very first excursion. The excursion was to Moonlit Sanctuary. The Preps enjoyed the guided activities introducing them to some native Australian animals and birds.

The excursion was planned to support their inquiry learning about native Australian animals and assist them in developing an information report. The Preps found out many interesting facts about the animals and were amazed to learn that dingoes can climb trees!

They were also very excited to be able to feed wallabies and kangaroos. The Preps got to pat a Shingleback Lizard and also a very friendly python. The Preps had a great day out!

MATHS

Challenge of the Week

Welcome to our Maths Challenge of the week. Please share your answers with Miss Rachael. The first person to solve the problem will be acknowledged with 5 raffle tickets!

Congratulations to...

Lola Cotton 1/2 B

For your excellent problem-solving skills!

PARENTING POST

“Safety Hand”

As part of our wellbeing sessions and following the Kids Roar incursion, students have been introduced to the concept of a their ‘safety hand’.

The safety hand is a list of adults that the child knows that they feel safe around and feel comfortable to talk to if they need to tell them about a time they have felt unsafe. The safety hand must have at least 1 adult who lives in their house and two teachers. The other people can be outside of the home/school such as neighbours, grandparents, aunts, uncles, brothers, sisters, cousins, coaches etc over the age of 18.

If a child lives across 2 houses, they should complete 2 safety hands, one for each house they live in.

The safety hand should be displayed at home somewhere visible for the child to see.

If your child hasn't completed a safety hand yet, this would be a great activity to complete together and display on your fridge!

GRADES OF THE WEEK

Each week our classes earn points during their specialist classes by:

- Being calm
- Using appropriate language when speaking
- Care for, look after and use equipment for its correct purposes
- Helping and looking out for and supporting others.

The class with the most points hosts Puggles for the week...and if a class wins Puggles three times in a term, then they will get a pizza party!

Congratulations to 1/2B and 3/4A for being our grades of the week, last week!

Orders are to be processed via XUNO, due by 4pm each Monday, ready for a Friday lunch.

PROTECT

Everyone has the right to be safe and be protected from abuse.

It's everyone's responsibility.

Adults at school must listen and respond to concerns about child abuse.

If you suspect abuse of any child or young person, you have a responsibility to report it, even if you are not sure.
