<p>Rationale</p>	<p>During a child's school years at Wooranna Park Primary School, there are many occasions and events where staff may photograph, film or record students participating in school activities and events. We do this for many reasons including (but not limited to): celebrate student participation and achievement, showcase particular learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents and our school community.</p>
<p>Aims</p>	<p>To explain to parents/carers how Wooranna Park Primary School will collect, use and disclose photographs, video and recordings of students, how parent/carer consent can be provided and how it can be withdrawn.</p>
<p>Guidelines for Implementation</p>	<p>This policy outlines the practices that Wooranna Park Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the <i>Privacy and Data Protection Act 2014</i> (Vic). It also explains the circumstances in which Wooranna Park Primary school will seek parent/carer consent and how consent can be provided and/or withdrawn.</p> <p>As a general rule, use relates to images which are shared and distributed only within the school for school purposes (i.e. ID photos, XUNO), whilst disclosure is used for images which are shared and distributed outside of the school staff and are available to other students, parents/carers and the wider school community.</p> <p>Wooranna Park Primary School will ensure that parents/carers are notified upon enrolment and at the commencement of each school year of the ways in which our school may use images of students. There are many occasions during the school year where staff photograph, film or record students participating in school activities or events, for example, but not restricted to, classroom activities, sports events, concerts, excursions, camps, assemblies. We do this for many reasons including to celebrate student participation and achievement, showcase particular learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters on the school website and official school Facebook page.</p> <p>Wooranna Park Primary School will use student images reasonably, appropriately and sensitively, consistent with our obligations under the Child Safe Standards and our school's Child Safe Policy. If at any time a parent/carer or student has a concern about the use of any images they should contact either the principal or assistant principal in writing by sending an email to wooranna.park.ps@education.vic.gov.au</p>

In addition to the processes outlined below, parents/carers can contact either the principal or assistant principal in writing by sending an email to wooranna.park.ps@education.vic.gov.au at any time to withdraw their consent for any future collection, use or disclosure of images of their child. However:

- if the images have already been published and are in the public domain, it may not be possible for consent to be withdrawn.
- There may be occasions when the school will record whole of school or large group events and make those recordings available to the school community through DVD sales etc, such as the school production and if your child participates, they may appear in these recordings which will be available to the whole school community.
- The school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

Official school photographs

Each year Wooranna Park Primary School will arrange for a professional photographer to take official school photographs of students. This will generally involve both class photos and individual photos being taken.

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards
- stored on CASES21 and the school Learning Management Platform for educational and administrative purposes.

Wooranna Park Primary School will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the official school photographs.

Parents/carers who choose to opt-out of having their child participate in official school photographs must contact either the principal or assistant principal in writing by sending an email to wooranna.park.ps@education.vic.gov.au before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken.
