<p><b>Scope</b></p>	<p>This policy applies to all students at Wooranna Park Primary School. This policy should be read in conjunction with the Department of Education and Training's <a href="#">School Attendance Guidelines</a>. It does not replace or change the obligations of Wooranna Park Primary School, parents and School Attendance Officers under legislation or the School Attendance Guidelines.</p>
<p><b>Definition</b></p>	<p><i>Parent</i> – includes a guardian and every person who has parental responsibility for the child, including parental responsibility under the <i>Family Law Act 1975</i> (Cth) and any person with whom a child normally or regularly resides.</p>
<p><b>Implementation</b></p>	<p>Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted). Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community. Students are expected to attend Wooranna Park Primary School during normal school hours every day of each term unless:</p> <ul style="list-style-type: none"> <li>there is an approved exemption from school attendance for the student</li> <li>the student has a dual enrolment with another school and has only a partial enrolment in Example School, or</li> <li>the student is registered for home schooling and has only a partial enrolment in Wooranna Park Primary School for particular activities.</li> </ul> <p>Both schools and parents have an important role to play in supporting students to attend school every day.</p> <p>Wooranna Park Primary School believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.</p> <p>Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents to improve their attendance through a range of interventions and supports.</p>

Students are committed to attending school every day, arriving on time and are prepared to learn. Our students are encouraged to approach a teacher and seek assistance if there are any issues that are affecting their attendance.

Wooranna Park Primary School parents are committed to ensuring their child/children attend school on time every day when instruction is offered, to communicating openly with the school and providing valid explanations for any absence.

Parents will communicate with the relevant staff at Wooranna Park Primary School about any issues affecting their child's attendance and work in partnership with the school to address any concerns. Parents will provide a reasonable explanation for their child's absence from school and endeavour to schedule family holidays, appointments and other activities outside of school hours.

### **Supporting and promoting attendance**

Wooranna Park Primary School's *Student Wellbeing and Engagement Policy* supports student attendance. Our school also promotes student attendance by: the Chaplaincy Program, Breakfast Club, lunch time clubs, School Wide Positive Behaviour Support, wellbeing support, URSTRONG and regular communication with parents through the newsletter/XUNO/calls.

### **Recording attendance**

Wooranna Park Primary School must record student attendance twice per day. This is necessary to:

- meet legislative requirements
- discharge Wooranna Park Primary School's duty of care for all students

Attendance will be recorded by the classroom teacher at 9:10am in the morning, and 1:50pm in the afternoon, using XUNO. If students are in attendance at a school approved activity, the teacher in charge of the activity will record them as being present.

Wooranna Park Primary School must record attendance in every class. This is necessary to:

- meet legislative requirements
- discharge Wooranna Park Primary School's duty of care for all students

### **Recording absences**

For absences where there is no exemption in place, a parent must provide an explanation on each occasion to the school.

Parents should notify Wooranna Park Primary School of absences by:

- Contacting the reception or using XUNO to document and inform the school of the unexpected absence
- Inform the classroom teacher of any planned absences such as a holiday

If a student is absent on a particular day and the school has not been previously notified by a parent, or the absence is otherwise unexplained, Wooranna Park Primary School will notify parents by SMS.

On Friday an email will be sent to the teacher with a list of unexplained absences for the week that have not yet been followed up. Teachers will then follow up on these absences.

If a student is absent for more than three days the classroom teacher will follow up with the family.

If contact cannot be made with the parent (due to incorrect contact details), the school will attempt to make contact with any emergency contact/s nominated on the student's file held by the school, where possible, on the day of the unexplained absence.

Wooranna Park Primary School will keep a record of the reason given for each absence. The Principal will determine if the explanation provided is a **reasonable excuse** for the purposes of the parent meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If Wooranna Park Primary School considers that the parent has provided a **reasonable excuse** for their child's absence the absence will be marked as '**excused absence**'. If the school determines that no reasonable excuse has been provided, the absence will be marked as '**unexcused absence**'. The Principal has the discretion to accept a reason given by a parent for a student's absence. The Principal will generally excuse:

	<ul style="list-style-type: none"> <li>• medical and dental appointments, where out of hours appointments are not possible or appropriate</li> <li>• bereavement or attendance at the funeral of a relative or friend of the student, including a student required to attend Sorry Business</li> <li>• school refusal, if a plan is in place with the parent to address causes and support the student's return to school</li> <li>• cultural observance if the parent/carer notifies the school in advance</li> <li>• family holidays where the parent notifies the school in advance</li> </ul> <p>If no explanation is provided by the parent within 10 school days of an absence, it will be recorded as an 'unexplained absence' and recorded on the student's file.
