

Wooranna Park's Wonderings

Wednesday 24 July 2024

Hi everyone,

Welcome to Term Three!

It was a busy holiday period here at school with lots of work taking place to upgrade our school grounds including work to retaining walls and painting the external façade of the main building. Thank you for the financial support that you have given us this year to help subsidise some of this work.

Thank you too for helping to ensure your children learn the importance of wearing the **correct school uniform** particularly during these colder days. A school uniform removes the sense of competition in dress, which can often cause stress amongst students and in addition, it has the important safety factor of making Wooranna Park Primary children instantly recognisable.

If you require some assistance in accessing a uniform, please see us at the Office as we are more than happy to help you out so that your children have a strong sense of belonging to the Wooranna Park community.

After Hours School Care

As we commence a new term, I do suggest that **all** parents/carers register their child/ren for our after-school service, as while you are under no obligation to use the service, it could be a support for you in the event of an emergency. Furthermore, students still at the Office at 3:45pm will be taken up to this service for supervision.

When setting up an account you do have to put in a credit card to complete the enrolment. The credit card will have a \$0.98 cent charge on it to verify it as a real card. That small charge will go into your LookedAfter account and can be put towards your first bill, if you use this service. If you do not end up using this service, that amount will remain until you close your LookedAfter account and it will then be credited back onto your card.

Wednesday 7 August
is a student free day!

Mini Fete

In the fourth week of this term our students will be planning, running and engaging in a Mini Fete, from 2:10pm till 3pm. Each class will be responsible for planning and marketing their stall and then running it on the day. When the students are not working on their stall, they will have the opportunity to visit other stalls, giving them an authentic experience in exchanging and budgeting their money.

While this is a not-for-profit event, we hope you can support this experience by ensuring your child has up to \$10 to spend on the day. A shopping bag would be helpful too for them to carry around their purchases. There will be a couple of 'free' stalls also!

KidsROAR Personal Safety Program

Later on in this term we will be engaging our students with [KidsROAR](#), an incursion to ensure our students are empowered about their rights (Child Safe Standard 3).

'We Are ROARsome' – Prep to Grade 4: The Primary Years Personal Safety Programs are designed to empower children with simple strategies if faced with an unsafe situation, including potential abuse.

Learning Intentions – At the end of the Program, students will be able to:

- Recognise safe and unsafe feelings
- Understand that we all have the right to feel safe at all times
- Identify and act upon early warning signs
- Know what consent is and why it is important
- Use and identify correct anatomical names for the private parts of their body
- Identify trusted adults they can talk to if they are feeling worried or unsafe
- Know that they can say 'NO' to an adult where they are feeling unsafe
- Persist in telling their trusted adults until they feel safe again
- Understand the difference between safe and unsafe secrets.

We Can 'ROAR' Workshop – Grades 5 & 6: The Grade 5/6 'We Can ROAR' workshop supports students in establishing and maintaining respectful and safe relationships. This two hour interactive program not only includes further education on personal safety, but it also addresses the important concepts of Respect, Consent, Bullying and the Law, Consequences of Choices and Social Media Safety.

Respect and Consent

- Consent – What is Consent and why it is important?
- Obtaining and Giving Consent – Understanding Consent is reversible/mutual
- Types of Consent - When Consent is not Consent
- Respect – Self-Respect and Respecting others.

Personal Safety

- Right to feel Safe – What does this mean for me and for others?
- Early Warning Signs – Identify and act upon early warning signs
- Private body parts – Identify and use correct anatomical names for the private parts of their body
- Secrets – Difference between safe and unsafe secrets
- Safety Network – Identify trusted adults they can talk to if they are feeling worried or unsafe
- Personal Safety & Technology – Social media, photos and safe communication.

Choices – Legal Consequences

- Consent – not obtaining consent
- Bullying – understanding it is illegal
- Illegal Photos/Videos – possession and distribution
- Ripple Effect – of a criminal record.

We are offering an online parent/carer session in the lead up to the classroom session which I would strongly encourage you to attend on **Tuesday 13 August at 7:30pm**. More information will be published closer to the date.

It is very important the school has your most **current emergency contact** telephone details, email and home address. If you change telephone details, email or home address at any point, we ask that you update the school with your accurate contact details as soon as possible.

This is a reminder that schools do not provide **personal accident insurance or ambulance cover** for students. Parents and carers of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance and any other transport costs.

School Gates

In support of ensuring a safe learning environment for our students, I did want to remind everyone that our two gates are locked at **9am**. Therefore, if you find yourself still within the school grounds at this time then you will need to exit via the front Office.

Please note that the gate up at the TOC is locked a bit later to ensure community access to the Food Pantry.

School Polices

As valuable partners in promoting and maintaining child safety and wellbeing at Wooranna Park Primary School, we welcome and encourage your feedback. If you have any suggestions, comments or questions in relation to our Child Safe Policies and practices, please contact us.

Time to Plan Ahead!

I respect that it is scary to think about 2025 but we are beginning to look at our enrolment numbers and whole school structure.

If you have any intentions to unfortunately leave WPPS in the next 6 months, please let the school Office know ASAP. Your decision does not need to be confirmed and does not mean your child loses their spot if you change your mind but giving us a heads up is very helpful. This information is vital for the school to budget and plan for staffing in 2025. We do not want any children to be stuck in classes that are too big or only have a few kids, but this relies on us knowing who will be here.

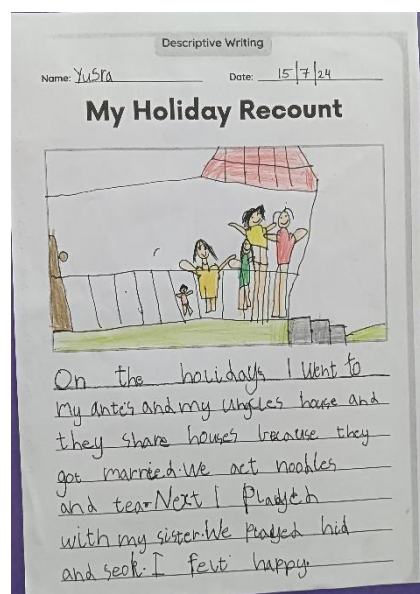

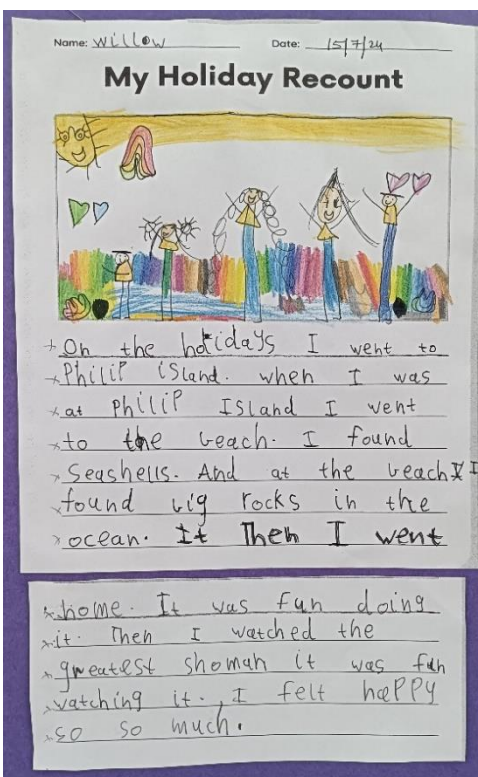

If you suspect you may be moving house, travelling overseas or you know your Visa is expiring, please communicate this to Office as soon as possible.

If you have a child starting school in 2025, please visit the VicStudents portal via this link <https://students.educationapps.vic.gov.au/s/> to create an account and complete the online application form by **Friday 26 July 2024**.

Kind regards,
Amanda Ellaby
Executive Principal

SHARING OUR OF LEARNING

Welcome back to a new term full of learning and discovery! Our Prep students have dived into writing, sharing their exciting holiday adventures through recount writing and illustrations. They are also exploring the world of procedural texts, making personal connections to deepen their understanding. In preparation for the Mini Fete, they're getting hands-on with Australian coins by learning their value and mastering the art of transactions. Through engaging in the hands-on mini shop activities, they are having an authentic experience and gaining an understanding of how money facilitates and moves in our society.

CHAPPY NEWS

WPPS SCHOOL CHAPLAINCY

Your Chaplains this year are Samantha Bond and Connie Tay. We are here every Wednesday for groups, games and mentoring. School Chaplains work closely with Wellbeing to support our community.

We welcome volunteer Annie Stewart who is also studying Education Support but who may also step into Chaplaincy when her studies are completed. Annie will be assisting us with group programs.

CHAPPY NEWS ART CLUB

Every Wednesday second bell at lunch.

Come and join us every Wednesday at second bell during lunch time in Ms Laurels room. We will announce if we are doing it outside that week.

CHAPLAINCY SMALL GROUPS WORK

Drumming for Resilience-Grade 3/4:

We have been learning how we can change our brain by paying attention and repetition. What we practice over and over changes our 'neuron trees'. We can choose which thoughts we will keep and which we will ignore. We are also learning some beats to perform later this term.

Seasons for Growth-Grade 5/6:

In this program we use the seasonal changes in the weather to understand the life changes we experience and the emotions that go with those times. Now we are finishing summer- the season when we are adjusting to our new normal after big changes. We made kites with a list of the things and people that help us to cope on the tails. A kite without strings /that isn't connected to strong foundation, just flies about without direction. With supports, we have direction and help.

If your child is experiencing grief, please let us know.

The Chaplaincy program also has a mentoring/pastoral care role as well. If you feel your child needs extra support in this way, please contact Miss Becki our Wellbeing and Inclusion Co-ordinator.

Chaplains are here for students, families and staff. Our role is to support the wellbeing program of the whole school in this community. You can contact Miss Becki in Wellbeing or 'Chappy' samantha.bond@education.vic.gov.au for more information.

E-SAFETY SUPPORT

Dear Parents/Carers,

I am writing to bring to your attention an important matter regarding the anime your child/ren might be watching. Anime are animated shows, many of which are originally from Japan. With the growing popularity of anime, parents/carers must be mindful of the content and appropriateness of the shows their children are exposed to.

While anime may initially appear to be children's cartoons, a significant portion of anime is targeted at teenage and adult audiences, featuring themes and content that may not be suitable for younger viewers. As a result, it is essential for parents/carers to actively monitor and ensure that the anime their children are watching is age appropriate.

I urge parents/carers to take the time to check the age classification and content of the anime their children are interested in, to make informed decisions about what is suitable for their age group. By staying informed and involved, parents/carers can help create a safe and enjoyable viewing experience for their child/ren.

If you are unsure, websites such as <https://www.common sense media.org> are a useful tool for checking age classification and general content of shows.

Thank you for your attention to this matter. If you have any questions or concerns, please do not hesitate to contact us.

SAFETY

All bike and scooter riders are required to wear a bike helmet in Victoria.

Approved helmets have the Australian Standards Mark TM (AS/NZS 2063) and will be marked as suitable for cycling.

Children under the age of 12 may ride on footpaths, as can a supervising adult. They are required to give way to pedestrians and to wheel their bicycles over pedestrian and children's crossings.

Also, by law everyone must wear a seat belt when travelling in a car in Australia

SUNSMART

For Term One and Four, we wear our named, broad brimmed, navy blue hat at all times when outside.

PROTECT

Everyone has the right to be safe and be protected from abuse.

No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community.

Tell a teacher or any adult at your school if you feel unsafe.

It's everyone's responsibility.

Adults at school must listen and respond to concerns about child abuse.

If you suspect abuse of any child or young person, you have a responsibility to report it, even if you are not sure.
