# Wooranna Park's Woonderings

Hi everyone,

I hope that everybody had the opportunity for some enjoyable family time over the school break, and that you have been able to make the most of the extra sunlight and warmer weather now here. It's the perfect time to get involved in some more physical activity, which we know has innumerable benefits to both our physical and mental health, for adults and children alike.

### **Uniform in Term Four**

It has been great to see so many students remaining safe, wearing their broad brimmed hat during any outside activities. As part of our <u>Dress Code policy</u> such hats are required from the beginning of Term Four, until the end of April.

Teachers on play support will be reminding students that **No Hat makes for No Play**. Students without an approved hat will be directed to remain in a shaded area.

Also, thank you for helping to ensure your child learns the importance of wearing the **correct school uniform**. A school uniform removes the sense of competition in dress, which can often cause stress amongst students and has the important safety benefit of making Wooranna Park Primary children instantly recognisable.

If you require some assistance in accessing a uniform, please see us at the Office as we are more than happy to help you out so that your child/ren has a strong sense of belonging to the Wooranna Park community. For your convenience we do have SunSmart hats on sale in the front office for \$5.

### Farewell

Sadly, last Friday we bid farewell to Sam Augustin, who has served as a volunteer for the last nine years. Sam has been a friendly smile at Breakfast Club each morning and has worked tirelessly to raise funds for the school through our various stalls and Bunnings BBQs. She will be sorely missed and difficult to replace.

While we will be farewelling Sam formally at our assembly on Friday, 25 October, I would like to take this opportunity to express our heartfelt gratitude to her for all that she has brought to the Wooranna Park Primary School community. Her dedication to our students, along with her commitment and passion, have truly made a difference in their lives.

### **Colour Run**

Our fundraising team will be hosting a Colour Run from 2:40pm this Friday! This promises to be an exhilarating and vibrant event, surrounding our community with an array of colours and an infectious atmosphere of joy and unity.

Students will gather at the starting line with their classmates, decked out in white attire, ready to embark on a lap like no other. And as they run, they will be doused with an array of vivid, eco-friendly powdered pigments, transforming them into rainbows. More information about this powder can be found

at: <a href="https://www.qualitycolouredpowder.com.au/faqs">https://www.qualitycolouredpowder.com.au/faqs</a>

More help to prepare the colour powder would be appreciated if you are available on Thursday 17 October from 2pm till 3:30pm.

Please ensure your child is wearing a white t-shirt on the day, and you may like to deck them out with some sunglasses too! If you or your child does not want to be splashed in colour please ensure they are wearing a dark t-shirt so that volunteers and staff are aware of their choice.

Our Colour Run promises to be an unforgettable day of laughter, camaraderie, and kaleidoscopic memories. Don't miss out on this colourful spectacle that's sure to leave everyone with smiles as bright!

If you have decided that you <u>do not</u> want your child to participate in this colour run, then please communicate to your child's teacher via email or XUNO.

### **Principal for a Day**

I will be handing over my job to selected students to be Principal for a Day on **Friday 18 October!** Students interested in this challenge are encouraged to write an application. These applications need to be submitted by Friday 15 October so that I can select a P-2, 3-4 & 5-6 Principal. I can't wait to share this day with three successful applicants!

### **After School Care**

I recommend that <u>all</u> parents/carers register their child/ren for VillageOSHC in preparation for Term Four. While there is no obligation to use this service, it could provide support in the event of an emergency. You will need to enter a credit card to complete the enrolment. The credit card will incur a \$0.98 charge to verify it as valid. That small charge will go into your "LookedAfter" account and can be put towards your first bill if you use this service. If you do not end up using the service, the amount will remain until you close your "LookedAfter" account, at which point the \$0.98 charge will be credited back to your card.

Reminder: Update Emergency and Personal Contact Information It is very important the school has your most current emergency contact telephone details, email and home address. If you change your telephone details, email, or home address at any point, please update the school with your accurate contact information as soon as possible. This is particularly important as this time of the year in support of you having access to the School Saver Bonus.

This is a reminder that schools do not provide **personal accident insurance or ambulance cover** for students. This is also a reminder that schools do not provide personal accident insurance or ambulance cover for students. Parents and carers of students without student accident insurance or ambulance cover are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance and any other transport costs.

### **School Review**

This Monday, we commenced our school review. The purpose of this review is to assess the work completed during the last four years of our school's Strategic Plan (2020 to 2024). This review will also help inform the development of our next 4-year School Strategic Plan, as well as assess our compliance with the Curriculum and Student Learning Minimum Standards.

The review will take place over four days, led by an independent reviewer, along with two other principals, the Senior Education Improvement Leader, the School Council President, and members of our school's leadership team. This process will help us evaluate our strengths and identify areas for growth, ensuring we provide the best possible education for our students.

As part of this review, we invite you to participate in a community focus group where you will have the opportunity to share your insights and experiences with the external members of the review panel. Your perspectives are invaluable, and your input will help shape the future direction of our school.

The focus group will take place on either:

- Monday 21 October from 9am till 9:50am, in the staff room.
- Tuesday 22 October from 2:40pm till 3:30pm, in the staff room.

I strongly encourage all parents and carers to attend and contribute to this important conversation.

Excitingly, we have already received confirmation from the Senior Advisor at the School Compliance Unit (Operational Policy, School Engagement and Compliance Division) that Wooranna Park Primary School has been assessed as fully compliant with the elements of the Minimum Standards for School Registration (including the Child Safe Standards), which is wonderful news!

### **School Supervision Hours**

Please note that our school grounds are supervised by school staff at the following times:

- Before school from 8:30am to 9:00am
- Throughout recess and lunch
- After school from 3:30pm to 3:45pm.

Students arriving prior to 8:30am must remain in Breakfast Club, regardless of if they eating breakfast or not.

The school grounds are not supervised outside of the above times.

Additionally, I would like to remind you that the park opposite the school is not supervised by staff before or after school. While I understand that some families use this area as a meeting place, it is important to note that children must be supervised by an adult in this Council area.

### Thinking Ahead to 2025

We are now in the process of reviewing student enrolment numbers for 2025 at each year level, as we prepare to structure our teaching teams and grades. If you are considering leaving Wooranna Park PS next year, please advise the office in writing as soon as possible.

Your decision does not need to be final, and your child will not lose their spot if you change your mind but giving us a heads-up is very helpful. This information is vital for the school's budgeting and staffing plans for 2025. Additionally, if you think you may be moving house, travelling overseas, or if your visa is expiring, please inform the office as soon as possible.

If you know of a family or student who will be attending Wooranna Park PS in 2025 and is not currently enrolled, please encourage them to contact the office as soon as possible.

I would also like to invite parents to submit in writing any information about their child/ren that they would like considered when we form new grades for 2025. The information should focus on your child's needs (whether academic, medical, physical, emotional, or social) and the type of person you believe they respond to best. Please refrain from identifying a specific teacher, as it may lead to disappointment for both you and your child. Even if you have communicated with a staff member during the year, we ask that you complete a request to ensure we have an up-to-date record.

If you have made a request in previous years, a new request needs to be completed. To keep all requests centralised, please submit a separate request for each of your children via the link below and note that naming specific teachers or friends will not be considered, as it makes the process too difficult.

### https://forms.gle/y21Gej6m1wexemacA

Requests must be submitted by 9am on Monday 11th November. Using this information, we will do our best to select the teacher who will best meet your child/ren's needs, as well as those of their 2025 classmates.

# CHAPPY NEWS

### WPPS SCHOOL CHAPLAINCY

Your chaplains this year are Samantha Bond and Connie Tay. We are here every Wednesday for groups, games and mentoring. School chaplains work closely with Wellbeing to support our community.

We also have on our team volunteer Annie Stewart, who is also studying Education Support but who may also step into Chaplaincy when her studies are completed. Annie is assisting us with group programs.

### **ART CLUB**

### Every Wednesday second bell at lunch.

Come and join us every Wednesday at second bell during lunch time in Ms Laurel's room. We will announce if we are doing it outside that week.

### **CHAPLAINCY SMALL GROUPS WORK**

### **Drumming for Resilience - Grade 3/4:**

Our focus has been on how our neurons 'fire up' and 'talk' to each other for things to happen in our brain. Our activities show us how this works when we work together. We are also practicing some of our beats for a short performance at the end of the term. And we are getting better every week as our neural pathways expand! We look forward to showing the school what we have learned.

### **Unlimited - Grade 5/6:**

UNLIMITED is a program about understanding our unlimited potential. When young people are empowered to live by their personal values and recognise the values that we all share, they can live in harmony and be productive members of our community. Through the activities, participants will nurture the leadership skills inside of them.

Last week we explored our courage meters and how much courage it would take us to do a range of different activities. It showed us how different we can all be and that it is ok to not be ok about something or for someone else. We can help each other through being understanding, kind and encouraging.

### KIDS HELPLINE

**Kids Helpline is for everyone** really. It's a safe space that children (from 5 years old) to adults can access for information on issues like friendships or emotional guidance relevant to their age. Parents and children/youth can use the site for counselling via online webchat or a free phone call on **1800 55 1800**.

There are also support groups you can join for support online through their website.:

Kids: https://kidshelpline.com.au/kids

Have a happy, fun and safe week!

Chappy

The Chaplaincy program also has a mentoring/pastoral care role as well. If you feel your child needs extra support in this way, please contact Miss Becki our Wellbeing and Inclusion Co-ordinator. Chaplains are here for students, families and staff. Our role is to support the wellbeing program of the whole school in this community. You can contact Miss Becki in Wellbeing or 'Chappy' samantha.bond@education.vic.gov.au for more information.

### Information for government school parents and carers

### **About the School Saving Bonus**

The Victorian Government is making life that little bit easier for families by providing a one-off \$400 School Saving Bonus.

This support will help cover the cost of school uniforms, textbooks, and school activities like camps, excursions and sports.

The School Saving Bonus is in addition to existing and continuing means-tested supports for Camps, Sports and Excursions Fund (CSEF) and the Affordable School Uniforms Program.

The School Saving Bonus will be provided to schools and families in Term 4, 2024.

### Who receives the School Saving Bonus

The School Saving Bonus is available for parents and carers of all Victorian government school students from Prep to Year 12 in 2025, except for full-fee international students, home schooled students, TAFE students and students attending kindergarten in 2025.

### **Actions for parents and carers**

Parents and carers of children who meet the School Saving Bonus eligibility above are required to do the following by **Friday 18 October 2024**:

#### Complete enrolment

If your child, or children are changing government school for Term 1 2025, or starting Prep or Year 7 in 2025, please complete enrolment. For more information, read about <a href="Enrolling in School"><u>Enrolling in School</u></a>.

### Check your contact information

Ensure your contact information is up to date with your school. You can check this information by contacting your school directly.

### Accessing the \$400 School Saving Bonus

You do not need to apply for the School Saving Bonus.

The Department of Education will email you in November 2024 with your \$400 School Saving Bonus. You will be able to access it via an online system.

You can decide how to best use the School Saving Bonus for your family's needs. You can choose how to allocate the \$400 in the online system.

The bonus can be used towards 2025 school costs, which may include:

- camps, trips, excursions and incursions
- · swimming and sporting programs
- outdoor education programs
- graduations
- school uniforms
- textbooks.

The bonus can be used at your school's approved textbook or uniform suppliers either in-store or online, or through State Schools' Relief. The list of suppliers may include a school uniform or bookshop. Any amount that you choose to allocate to textbooks and uniforms will be valid until 30 June 2025. It will then transfer to your child's school account for future activities.

Funds will roll over for use in future years if it is not all spent in 2025.

### Families with more than one eligible child

Families who have more than one child at the same school can combine their School Saving Bonus payments to use on one child, or for a specific activity. So, for example, a family with 3 children who are all government school students would receive support to the value of \$1,200 and choose how they spend those funds. The School Saving Bonus cannot be combined across different schools.

#### More information

To learn more about the School Saving Bonus visit <u>vic.gov.au/school-saving-bonus</u>. Translated information will also be available on the School Saving Bonus website in the next few weeks.

# **GRADES OF THE WEEK**

Each week our classes earn points during their Specialists' class by:

- using good manners (respect).
- keeping our body parts to ourselves and respecting others personal space (safe).
- looking after the classroom and school equipment (responsible).

The class with the most points hosts Puggles for the week...and if a class wins Puggles three times then they will get a pizza party!

Congratulations to Prep A, 3/4A and 5/6A for being our grades of the week in the last fortnight!

See XUNO to order a sausage sizzle lunch by 4pm on Friday 11 October.

Learning to swim is a crucial part of your child's growth and development and an important component of the school curriculum. Splash's Learn to Swim School focuses on providing highquality, experienced instructors in an environment where students of all ages can progress rapidly. The approach to the Swim & Survive program has two key components: water safety and stroke development. The classes will be run by AUSWIM-qualified instructors, who will focus on creating an environment that enables students to reach their swimming potential.

The swim sessions will be 45 minutes in duration, with qualified instructors teaching ability groups of a maximum of 8 students. Students will be transported by bus between WPPS and Splash's Learn to Swim School by Victorian Touring Coaches throughout the day.

Parents are welcome to meet us at the venue to watch their child's swimming progress. If you would like to assist your child with dressing after swimming, you must have a Working with Children Check. as this is a legal requirement that Splash's Learn to Swim School must adhere to. Any parents wishing to attend will need to make their own way to and from the centre, as we do not have any spaces available on the bus. Please note, while we encourage parent involvement, it is also important to help children further develop their independence by learning to dress and dry themselves.

This year, the Department of Education has provided funding to subsidise swimming programs held in primary schools.

Please approve on XUNO by 4pm on Monday 28 October to secure your child/rens position for this program.

You will also need to complete this electronic Swimming Skills assessment form for each of your children participating in this swimming program.

https://forms.office.com/Pages/ResponsePage.aspx?id=qEbaKxTnWU6hYiwvumF-OS-CzzvVwppEqLOKuXfUPSpUM1NXSjBUVTVNTzRZRUdOTFBIVzdYWjNOQy4u

This form needs to completed by Monday 28 October.
