	Other specific roles and responsibilities are named in other child safety policies and procedures, including the <i>Child Safety Code of Conduct</i>, <i>Child Abuse (including grooming) – Identification and Response Policy and Procedures</i>, and <i>Child Safety Risk Register</i>. Our school has also established a Child Safety and Wellbeing Team and a Student Reference Group on child safety. The Child Safety and Wellbeing Team meet regularly to identify and respond to any ongoing matters related to child safety and wellbeing. The Student Reference Group provides an opportunity for students to provide input into school strategies. Our Risk Management Committee monitors the Child Safety Risk Register.
Child safety code of conduct	Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments. We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school. The <i>Child Safety Code of Conduct</i> also includes processes to report inappropriate behaviour.
Managing risks to child safety and wellbeing	At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use. Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.
Establishing a culturally safe environment	At Wooranna Park Primary School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected. We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities. <i>Our Action Plan – Aboriginal Learning, Wellbeing and Safety</i> outlines the measures we have in place to maintain an inclusive and culturally safe school for Aboriginal children and students.
Student Empowerment	To support child safety and wellbeing at Wooranna Park Primary School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities. Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging

	through our school values, School Wide Positive Behaviour Support's Matrix of Expectations, Student Code of Conduct, UR Strong and Rights and Respectful Relationships. We inform students of their rights through our whole school approach to Respectful Relationships and Positive Behaviour Support lessons and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns via website or at the front office. When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.
