## XUNO Family App User Guide

Hi there,

XUNO Family is an app that will help make communication with the school quick and easy - giving you access to a wealth of information, without having to sit at a computer.

### To log in, follow these steps:

1. Download XUNO Family from the App store (iOS) or Play store (Android)
2. Open the app
3. If asked, please allow push notifications for the most convenient experience with the app
4. Search for your school by typing the first few letters and then selecting your school from the list that appears.

If you have forgotten your password or Username, you'll need to head to your school's Xuno website to reset it. If you're not sure what the web address is, please contact your school or look for an email from Xuno which may have the address in it. The web address usually includes your school's name.

For example: <https://fakehighschool.xuno.com.au> - or - <https://xuno.fakehs.vic.edu.au>

 Settings	<p>Check your app settings, and if necessary, send a report to the support team in a few simple taps</p>

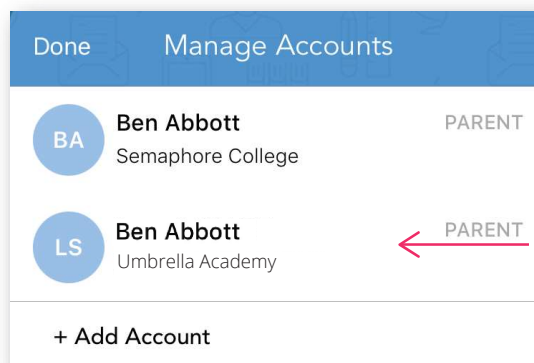

If you have children at multiple Xuno schools, you can login to more than one Xuno user on your device:

1. Tap the menu button in the top left 
2. Tap the small white arrow next to the school name
3. Tap Manage Accounts
4. Tap + Add Account
5. Register the new account using the School Code and user details you've been provided.

To remove an old user account from your device:

1. Tap the menu button in the top left 
2. Tap the small white arrow next to the school name
3. Tap Manage Accounts
4. For iOS, slide the account you want to remove all the way across toward the left. A red X will appear - tap it - follow the prompts to remove.
5. For Android, hold your finger down on the account you want to remove. A message will appear - follow the prompts to remove.

Apple users: *swipe*  
 Android users: *hold*
