

Select your child to view their report

The screenshot shows a web application interface. At the top, there is a navigation bar with the following items: 'XUNO', 'School', 'Learning', 'Options', 'Ben Abbott, South Melbourne College', 'Links', and 'Xtreme Software'. Below this is a green breadcrumb trail: 'Home > Reports'. The main content area displays a list of reports for a student named 'Samantha Abbott'. The reports are organized by year: 2014, 2013, and 2012. Each year has a 'Close Abbott' button next to the student's name. The 2014 section includes 'Semester 1' and 'Semester 2'. The 2013 section includes 'Semester 1', 'Semester 1', 'Semester 2', and 'Term 1'. The 2012 section includes 'Semester 1' and 'Semester 2'. Each report entry has a right-pointing chevron icon. A black dot is positioned on the 'Close Abbott' button, with a line extending upwards to the text 'Select your child to view their report'. Another black dot is on the first 'Semester 1' entry of 2013, with a line extending to the right towards the text 'Choose a report then click to download it'.
