Minor and Major Behaviour Definitions

When responding to problem behaviour, the staff member first determines if the problem behaviour is a major or minor behaviour.

Minor Behaviour

Able to be managed by staff members at the time the incident occurs. Follow up and consequences are given by the teacher.

***A minor behaviour will transfer to a major behaviour if frequency and/or intensity continues at the same rate or escalates and the student has not responded to Tier One interventions e.g., break card, correction plan, restorative conversation, alternate activity ***

Behaviour	Definition
Out of Bounds	Students playing, or frequenting areas identified as being out of bounds
Late to Class	Missing the beginning of class time not including late arrival to school
Mild Disruption	Talking while the teacher is speaking, calling out, loud noises, noises indoors where the disruption can not be ignored and is disrupting the learning and teaching
Physical Contact	Non-serious, but inappropriate physical contact (e.g., patting, over affectionate, light tapping, accidental, rough play etc.). This behaviour may be intentional but is more silly/impulsive with a lack of understanding of the impact it has on others.
Inappropriate Language	Messages or use of words in an inappropriate way for the developmental age of the student (e.g. name calling, teasing). This could be swearing either accidentally or in response to another's major behaviour. Includes body language such as eye rolling, back chatting etc. A student may swear or say something inappropriate but is responsive to the correction plan (e.g. staff member reminds student, and they are responsive)
Property Misuse	Students use equipment/possessions in an inappropriate way (low-intensity incident). Also includes minor misuse of technology. For example, a student accesses a program that is not part of the lesson, student swings on a chair, student stands on a table.
Property Damage	Any form of damage caused to the property, which is accidental or due to negligence by the person who is not the owner of the property e.g., scribbles on other students work, snaps a pencil, tears someone's book.
Non-compliance	Low intensity failure to respond, portrayed as defiance, non compliance or disrespect to adult requests e.g., yelling, "no" when asked to do something, ignoring teacher requests and instructions and lying. The behaviour can be ignored by teachers and students.

Major Behaviour

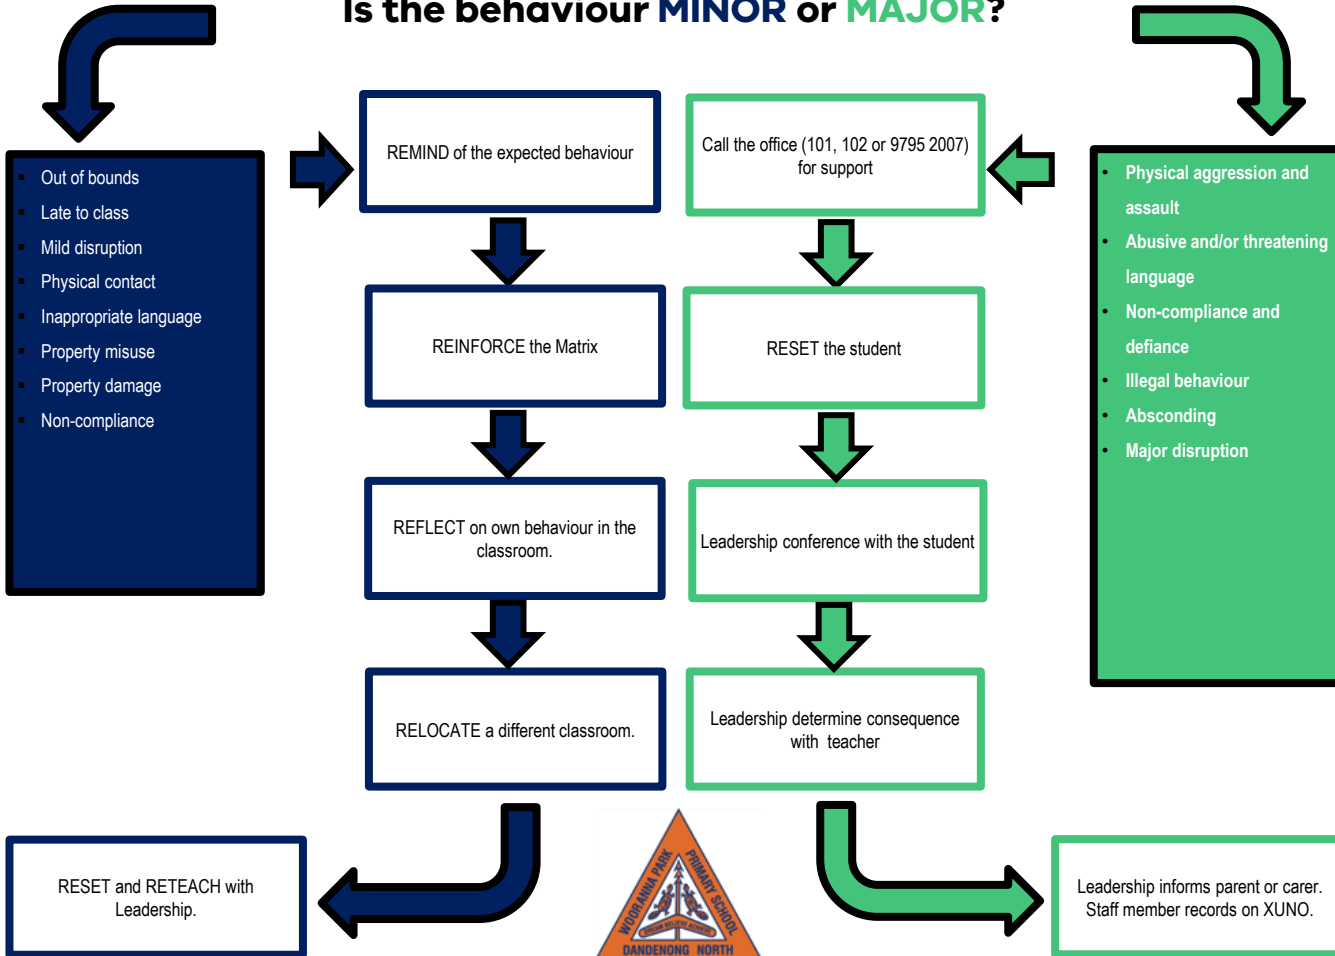

Poses an immediate safety risk to staff and/or students. Leadership is contacted immediately by calling the office on 102 or 101 so that the teacher can maintain their duty of care to the rest of the class. Consequences are given and managed by members of the Leadership team in collaboration with the classroom teacher.

****Where the behaviour is frequent and intense and unable to be ignored, significantly interrupting teaching/learning or poses an immediate safety risk to staff or students****

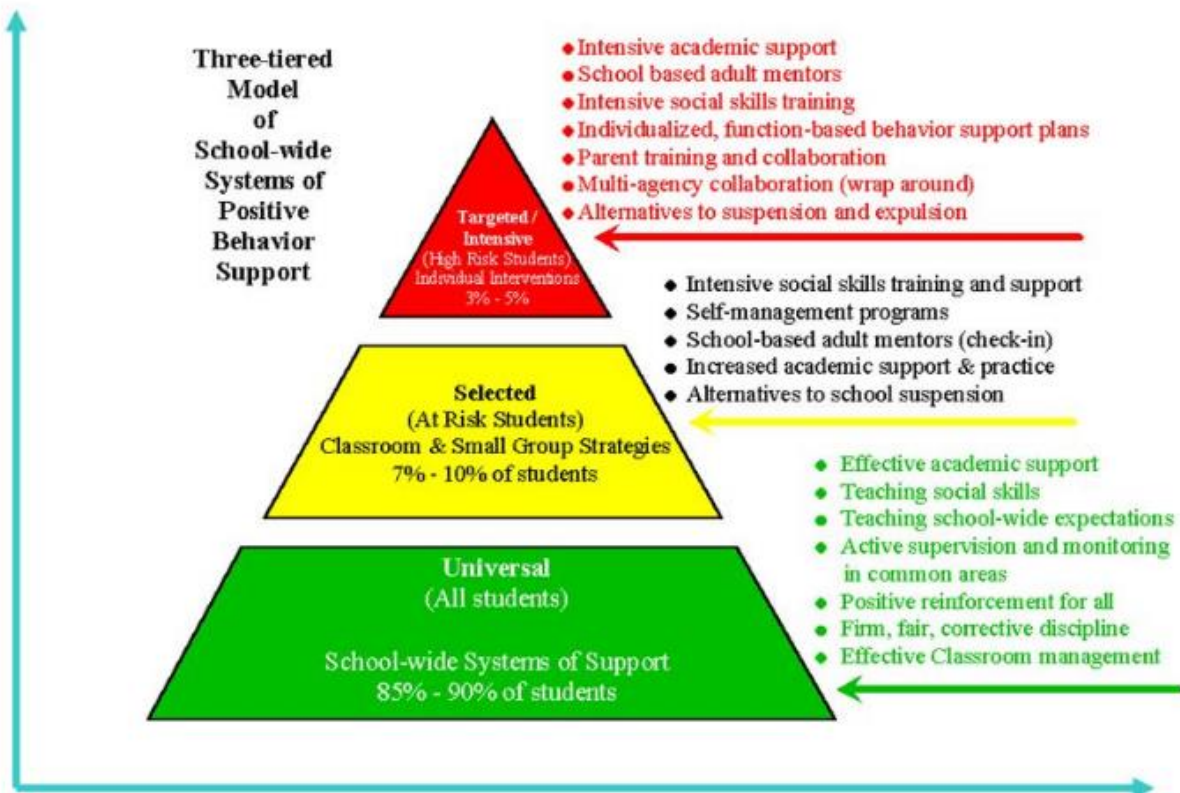

Behaviour	Definition
Physical Aggression and Assault	Deliberate actions involving serious physical contact when injury may occur (e.g. hitting, punching, hitting with an object, hair pulling, spitting, scratching, strangling, biting, kicking, inappropriate touching)
Abusive and/or Threatening Language or Behaviour	Abusive language, inappropriate language, profanity, intimidating and dominating actions. Deliberate messages that include swearing, name calling or use of words in an inappropriate way for the developmental age of the child. Includes body language and/or gestures such as finger signs.
Non Compliance and Defiance	Repeated refusal to follow directions and/or socially rude interactions (where it impacts teaching and/or learning).
Illegal Behaviour	These include theft, possession or use of a weapon, harassment, intimidation, credible threats and victimisation (includes technology), deliberately destroys or damages property that belongs to someone else or vaping and/or smoking.
Absconding	Within school grounds or leaving school grounds or attempting to run away, leaving suddenly or hiding from staff.
Major Disruption	Repeated behaviour causing significant interruption to a class or activity including sustained loud talk, yelling or screaming, noise with materials, horse play or rough housing, sustained out of seat behaviour and tantrums.

*****All Major Behaviours must be documented on XUNO, ideally by the teacher who held the duty of care at that time.***

Is the behaviour **MINOR** or **MAJOR**?

PUTTING OUT >>>

FRIENDSHIP FIRES

STEP ONE:

Retell the situation

STEP TWO:

Explain how it made you feel

STEP THREE:

have an open & honest conversation

WAS YOUR FRIEND

MEAN-ON-PURPOSE?

WHEN SOMEONE IS MEAN-ON-PURPOSE, SAY YOUR QUICK COMEBACK IN A STRONG VOICE LIKE A NINJA!

A QUICK COMEBACK IS A SHORT STATEMENT SAID IN A STRONG VOICE THAT LET'S THE PERSON KNOW:

- YOU HEARD/SAW WHAT THEY SAID/DID
- YOU'RE NOT COOL WITH IT!

PLEASE TAKE

NOTE!

THE TERM "BULLYING" IS PURPOSEFULLY NOT PART OF THE URSTRONG PROGRAMMING FOR THE FOLLOWING REASONS:

1. The term is misused,
2. The term leads people to label children as "bullies" (which URSTRONG is strongly against), and
3. With URSTRONG's effective SEL programming, bullying is prevented.
