School Strategic Plan - 2020-2024

Wooranna Park Primary School (4989)

School vision	<p>School Vision If our students are to maximize their learning, then Wooranna Park Primary School must be a place of optimism, excitement and challenge, where students and teachers see each day as a journey, full of purpose and where intellectual engagement and connectedness to the outside world are priorities.</p> <p>School Mission To provide students with a learning environment that recognises children learn best when engaged with real world, authentic tasks, involving problem solving and collaboration with peers on interdisciplinary, research based project work. To enhance student engagement in this work, the teacher plays a key role as a coach and facilitator empowering students to take responsibility for their learning.</p>
School values	<p>Wooranna Park values: The 7 C's (New Pedagogies for Deep Learning - Michael Fullan) - collaboration, curiosity, citizenship, communication, critical thinking, character, creativity DET values which include: responsiveness, integrity, impartiality, accountability, respect, leadership, and human rights. Global connections/ networking</p>
Context challenges	<p>Wooranna Park Primary School is located within Dandenong North that is situated in the south-east corridor of Melbourne approximately 34 kilometres from the Melbourne Central Business District. The current school population is 334 students (2021) with an SFO of 0.5363 (2020). The school population has a large proportion of students with a language background other than English. Currently 22 students receive funding through the PSD program with a number of other children who have high inclusion needs but do not qualify for this program. In addition to this many of our students come from low socio-economic families with some of these students having experienced trauma.</p> <p>Challenges: 1. To establish a strong connection between our school's philosophy - Raison D'etre and the Victorian Curriculum (consistency of practice) 2. Catering for children with additional needs - EAL, PSD funded, high inclusion requirements, low socio-economic families, trauma affected</p>

	<ol style="list-style-type: none"> 3. To develop a school wide Assessment Schedule that is strictly adhered to by all teachers. 4. To establish data literate teachers who use multiple sets of student learning data to review and analyse student learning and to inform relevant program development and delivery differentiation at student point of learning need. 5. To develop a consistent and effective tracking system of student data particularly data generated from summative assessment of student learning. 6. To establish an effective PLT program where middle leaders have the capacity to lead their staff teams with clear purpose and intention. 7. To build strong school community awareness and commitment to student attendance at school and to ensure all teachers are vigilant in monitoring and following student absenteeism from school. 8. Effectively build the capacity of teachers to improve student Literacy and Numeracy outcomes. 9. To improve the financial position of the school 10. To review the school's behaviour management and wellbeing program and change or modify where needed
<p>Intent, rationale and focus</p>	<p>INTENT During the 2020-2024 strategic plan period our goals will be:</p> <ul style="list-style-type: none"> - To improve student learning outcomes in Literacy and Numeracy. - To develop critical and creative thinkers who respond appropriately and effectively to challenges. - Improve whole school attendance rates. - Build the instructional leadership capabilities of our middle leaders. - Strengthen the data literacy capacity of all teachers. <p>RATIONALE</p> <ul style="list-style-type: none"> - Provide a supportive learning environment where students are connected to their school and there is an emphasis on deep and authentic learning. This will provide our students with the necessary skills and knowledge to be successful both at school and in the community. - Teachers will deliver quality, consistent whole-school Literacy, Numeracy and Well-being programs. - Students will be given further opportunities to develop and increase student voice. <p>FOCUS Our priority over the next four years will be Excellence in Teaching and Learning with a focus on Building Practice Excellence and Curriculum Planning and Assessment initiatives. This work will include:</p> <ul style="list-style-type: none"> - Establishing PLTs across the school - Identifying potential leaders within the school and provide them with opportunities for them leadership. - Create and pilot the school's Assessment Schedule - Strengthening staff knowledge and understanding of the assessments detailed in Wooranna Park's Assessment Schedule through

professional development.

- Track student data and develop staff data literacy to better inform planning.
- Improve the quality and consistency of teaching Literacy and Numeracy across the school.
