

Wooranna Park's Wonderings

Wednesday 16 September 2026

Hi everyone,

Department of Education Parent / Caregiver / Guardian Opinion Survey

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour and student engagement. The survey is optional, but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

All families will be invited to participate in the survey via a XUNO message on **Monday 17 August**. The Parent / Caregiver / Guardian Opinion Survey will be open until **Friday 18 September (last day of Term Three)**. The survey will be conducted **online**, only takes **20 minutes** to complete.

School wide positive behaviour support (SWPBS) Family Survey

At Wooranna Park Primary School, we are working to improve how we support positive behaviour across our school. We would like to hear from families about your experience.

Your feedback will help us understand:

- How well our school behaviour expectations are explained.
- How we teach and encourage positive behaviour.
- How we recognise students who show positive behaviour.
- How we respond when behaviour is not safe or respectful.
- Whether students feel safe, included and supported.
- How well families understand and are involved in our approach.

Your feedback is important. It will help us know what is working well and what we can improve. Please take a few minutes to complete our Family SWPBS Feedback Survey: <https://forms.gle/dpoJecoyhq6P6VKEA>

Early Dismissal for End of Term

Just a reminder that **Friday 18 September** is our last day of Term Three. **Students will be dismissed at 2:30pm.**

DS Sports will be open from 2:30pm if you require childcare. However, you will need to enrol them ASAP:

<https://www.dssports.org/wooranna-park-primary>

We will return to school on **Monday 5 October**! Remember students will require their [SunSmart hat](#) given the warmer weather in Term Four.

**END OF TERM
EARLY DISMISSAL**

Principal for a Day

I will be handing over my job, to selected students to be Principal for a Day on **Friday 30 October!** Students interested in this challenge are encouraged to write an application. These applications need to be submitted by Friday 23 October so that I can select a P-2, 3-4 & 5-6 Principal. I can't wait to share this day with three successful applicants!

Child Safety Processes

If you are planning to volunteer at school be it whether for excursions, classroom help, or events, you must hold a **Volunteer Working with Children Check (WWCC)**.

This is a **requirement under Victorian law** and part of our school's commitment to upholding child safety standards.

- ✓ It's free for volunteers
- ✓ It's quick and easy to apply
- ✓ It helps us meet our legal obligations and keep everyone safe.

Apply here: <https://www.workingwithchildren.vic.gov.au>

Thank you for your commitment to maintaining a safe and supportive environment for every child. If you have any questions about these child safe responsibilities or the [reporting process](#), please do not hesitate to seek support or clarification.

Time to Plan Ahead!

I respect that it is scary to think about 2026, but we are beginning to look at our enrolment numbers and whole school structure.

If you have any intentions to unfortunately leave WPPS in the next 6 months, please let the school office know ASAP. Your decision does not need to be confirmed and does not mean your child loses their spot if you change your mind but giving us a heads up is very helpful. This information is vital for the school to budget and plan for staffing in 2026. We do not want any children to be stuck in classes that are too big or only have a few kids, but this relies on us knowing who will be here.

If you suspect you may be moving house, travelling overseas or you know your visa is expiring, please communicate this to office as soon as possible.

If you have a child starting school in 2026, please visit the VicStudents portal via this link <https://students.educationapps.vic.gov.au/s/> to create an account and complete the online application form **ASAP** given that offers are now being send out.

GRADES OF THE WEEK

Each week our classes earn points during their Specialists' class by:

- Calmly using appropriate language when speaking to others (respect).
- Caring for, looking after and using equipment for its correct purpose (safe).
- Worrying about ourselves and the things that affect us (responsible).

There is also a bonus point for the grades that line up straight and tall!

The class with the most points hosts Puggles for the week...and if a class wins Puggles three times then they will get a pizza party!

Congratulations Prep A, 1/2A, 5/6A and 5/6B being our grades of the week in the last fortnight!

Dear Mayor Tan,

My name is Lydia Williams and I am a 12 year old who greatly values inclusion and diversity in our wonderful community that you have so greatly cared for. I am writing to you to convince you that our school is the most culturally, physically and neurologically diverse school in the area.

Firstly, our school is absolutely the most inclusive school in Dandenong. Isn't it important to teach kids that people can come from all over the world and we still need to include them? Our classroom alone has over 8 different heritages. As you can see, our school welcomes all cultures, religions and nationalities, making it the most inclusive school in our community.

Secondly, I believe it is essential that schools provide an education for people with physical differences. Everyone deserves to be happy, and one of the ways we can do this is by providing an appropriate education for all kinds of kids. For example, our school has ramps that were recently improved, which ensure that everyone can safely get around school. We also have kind ES staff that provide assistance for those who need it. Therefore, our school includes every level of physical ability, and that is one of the most essential parts of being an inclusive school.

Lastly, every school must cater for all kinds of neurodiverse students and ways of learning. For schools to be inclusive, they must provide tools for focus, train teachers well and have resources available; something that our school does incredibly well. For example, when I needed to move around in class, I was given a wobble chair to help me focus while I moved around. It is clear that our school is the most neurologically diverse and inclusive school in Dandenong.

It is obvious that Wooranna Park is the most inclusive school because of our variety of cultures, our physical diversity and our amazing neurological support. A person as open minded as you will understand how awesome our school is. I trust that you will see our school's brilliance.

Kind regards,
Lydia Williams

Dear Mayor Cr Sophie Tan,

My name is Jeremiah Vimalanlogu and I am an 11 year old Grade 5 student who greatly values the role you play in keeping our community on track. I also greatly value the acceptance and inclusion of people of all walks of life, because how would you feel if you were left out as a result of your differences? I am writing to inform you that our school is the most inclusive and diverse school in your electorate.

To begin with, I, without a doubt, trust that a school that is truly diverse will acknowledge different cultures and beliefs in each classroom. All of our ways of living must be noticed and included. 5/6D alone represents 8 distinct countries of origin and as well as that, roughly 80% of people in this class have parents who were born overseas. This proves that our school has a wide variety of cultures and religions, and accepts them all.

In addition, I propose that it is important for schools to support everyone, including those with physical disabilities. These include soft bones, sensitive skin and more. Our school provides ramps so that people with a wheelchair can have ease of access. We also have many E.S. staff on-site who can help those with mobility issues. By providing this support, our school helps students to feel included and safe. This clearly demonstrates that our school is understanding of everyone.

All schools that call themselves inclusive must consider those who have neurological differences and their needs. Inclusive schools will select helpful tools and will train their teachers to enable all students to work to the best of their abilities. As an example, at this incredibly diverse school of ours, all classes have at least one educational support staff member and a range of fidgets and tools chosen for their class. It is clear that our school, Wooranna Park, gives the utmost amount of thought for nurturing growing brains in Dandenong.

It is clear that Wooranna Park is the most inclusive school when it comes to considering cultural, physical and neurological differences. I know that someone as thoughtful as you will be able to see that this school is truly a great place to be. I trust that we will be recognised for this unimaginably great achievement of ours.

Kind regards,
Jeremiah V.L.

This term, students have been working on developing their sentence-writing skills by learning how to turn simple sentences into longer, more detailed sentences.

Students have been learning to add nouns, adjectives, verbs, adverbs and other details to make their writing more interesting and informative.

We have used a simple sentence-building structure to help students organise their ideas:

- Who?
- What?
- How?
- Where?
- Why?

Students first talked through their ideas, built their sentence step-by-step, and then said the complete sentence aloud before writing it down. This approach has helped students organise their thoughts, develop their vocabulary and build confidence in expressing their ideas in writing.

SAFETY EXPECTATIONS

Shared expectations of staff, parents, carers and students to support positive student behaviour are set out in the [Respectful, safe, engaged: shared expectations to support student behaviour statement](#).

- **Students** are also supported by school staff to meet expected standards of behaviour as outlined in our [Student Wellbeing and Engagement Policy](#), [Inclusion and Diversity Policy](#), [Bullying Prevention Policy](#)
- **Staff** must follow our school and department policies and the [Victorian Public Service Code of Conduct and Values](#). Teaching staff also adhere to the [Victorian Teaching Profession's Code of Conduct](#).
- **Parents and carers** play a vital role in helping their child understand and meet shared behaviour expectations. Additionally, information about the expectations of parents and carers to ensure schools remain respectful and inclusive places is outlined in the department's [Respectful Behaviours within the School Community Policy](#).

It is important that we model to our children Road Safety, by using the pedestrian crossing to cross the road and always follow the School Crossing Supervisors' directions.

As a driver you must **STOP** at the pedestrian crossings when someone is crossing the road. Please be advised that the pedestrian crossing on Apex Street is **no longer supervised**.

Please note, that while this is a convenient place to cross Carlton Road, it is not a supervised crossing and visibility is very difficult when cars are parked along both sides of the road.

Please use the roundabouts at each end of the school to safely turn around, rather than doing a U-turn in front of the school, particularly given there are a lot of young children around.

As the sign on the gate indicates, the **Staff Car Park** is for **Staff only**. The high volume of vehicles moving in and out increases the risk of accidents, especially since children may not be easily visible to drivers.

Please ensure that you travel at the **40kmph Speed Limit** around our school.

Helmets

Please make sure your child is safely fitted with a helmet before leaving home on either their bike or scooter. This illustrates that we are all working together to teach our children to stay safe and responsible whilst recognising that our young people need adult guidance and teaching on important routines such as helmets. More information of [bicycles and scooters safety](#) is available online.

The behaviour of staff, parents, carers and students has an impact on our school community and culture. We must acknowledge our shared responsibility to create a positive learning environment for the children and young people at our school

KISS & GO ZONE

We are a very lucky community with both Carlton Road and Wondalga Avenue available for parking before and after school.

It is important to understand that the parking directly outside of the school's main entry is a now **Kiss and Go Zone** before and after school. This means:

- **Do not leave your vehicle**

To assist with traffic flow, drivers should remain in the car whilst children get in and out.

- **Be timely**

If your child does not get in or out of the vehicle within 2 minutes you must leave and re-enter the Kiss & Go zone.

- **Child safety**

Please ensure children get in or out of the vehicle on the kerb side. The back seat is the safest seat for children to travel in. Ensure children have their restraints securely fastened before driving off.

- **Stay in sequence**

Drop off or pick up your child close to the top of the zone, as far forward as possible. This allows vehicles following you to enter the zone in an orderly manner.

- **Driver duty of care**

Observe traffic when entering or leaving the zone. Use your indicator to advise when moving into or out of the zone.

- **No U-turns**

Do not do U-turn in busy school zones. They are dangerous and put children at risk

Please ensure that you travel at the **40kmph Speed Limit** around our school.
