

Wooranna Park's Wonderings

Wednesday 14 October 2026

Hi everyone,

I hope that everybody had the opportunity for some enjoyable family time over the school break, and that you have been able to make the most of the extra sunlight and warmer weather now here. It's the perfect time to get involved in some more physical activity, which we know has innumerable benefits to both our physical and mental health, for adults and children alike.

Uniform in Term Four

It has been great to see so many students remaining safe, wearing their broad brimmed hat during any outside activities. As part of our [Dress Code and Sun Protection policies](#) such hats are required from the beginning of Term Four, until the end of April.

Teachers on play support will be reminding students that **No Hat makes for No Play**. Students without an approved hat will be directed to remain in a shaded area.

Also, thank you for helping to ensure your child/ren learn the importance of wearing the **correct school uniform**. A school uniform removes the sense of competition in dress, which can often cause stress amongst students and has the important safety factor of making Wooranna Park Primary children instantly recognisable.

If you require some assistance in accessing a uniform, please see us at the Office as we are more than happy to help you out so that your child/ren has a strong sense of belonging to the Wooranna Park community. For your convenience we do have sun smart hats on sale in the front office for \$5.

Importance of School Attendance

Please notify the school if your child will be late or absent. You can record absences through XUNO, call 9795 2007 or email wooranna.park.ps@education.vic.gov.au

In line with the Department's School Attendance Guidelines, the school will need to record the reason for each absence. The Principal will decide whether the reason is **reasonable**. Absences will be marked as '**excused**' or '**unexcused**'.

Reasons generally accepted include:

- Medical or dental appointments when out-of-hours appointments are not possible or appropriate.
- Bereavement, funerals or Sorry Business.
- School refusal, where a support plan is in place.
- Cultural observances, if the parent/carer notifies the school in advance.
- Family holidays, if the parent/carer notifies the school in advance

Colour Run

Our fundraising team will be hosting a Colour Run from 2:40pm on Friday 23 October! This promises to be an exhilarating and vibrant event surrounding our community with an array of colours and an infectious atmosphere of joy and unity.

Students will gather at the starting line with their classmates, decked out in white attire, ready to embark on a lap like no other. And as they run, they will be doused with an array of vivid, eco-friendly powdered pigments, transforming them into rainbows. More information about this powder can be found

at: <https://www.qualitycolouredpowder.com.au/faqs>

More help to prepare the colour powder would be appreciate if you are available on Friday 16 October from 2pm till 3:30pm.

Please ensure your child is wearing a white t-shirt on the day and you may like to deck them out with some sunglasses too! If you or your child does not want to be splashed in colour please ensure they are wearing a dark t-shirt so that volunteers and staff are aware of their choice. Students in full school uniform will not be able to participate. This is to ensure their school uniform is not damaged by the colour, and so staff are confident they have your permission to take part.

Our Colour Run promises to be an unforgettable day of laughter, camaraderie, and kaleidoscopic memories. Don't miss out on this colourful spectacle that's sure to leave everyone with smiles as bright!

If you have decided that you do not want your child to participate in this colour run, then please communicate to your child's teacher via email or XUNO.

Updating your details

It is very important the school has your most **current emergency contact** telephone details, email and home address. If you change telephone details, email or home address at any point, we ask that you update the school with your accurate contact details as soon as possible.

This is a reminder that schools do not provide **personal accident insurance or ambulance cover** for students. Parents and carers of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance and any other transport costs.

Principal for a Day

I will be handing over my job, to selected students to be Principal for a Day on **Friday 30 October!** Students interested in this challenge are encouraged to write an application. These applications need to be submitted by Friday 23 October so that I can select a P-2, 3-4 & 5-6 Principal. I can't wait to share this day with three successful applicants!

Time to Plan Ahead!

I respect that it is scary to think about 2027, but we are beginning to look at our enrolment numbers and whole school structure.

If you have any intentions to unfortunately leave WPPS in the next 6 months, please let the school office know ASAP. Your decision does not need to be confirmed and does not mean your child loses their spot if you change your mind but giving us a heads up is very helpful. This information is vital for the school to budget and plan for staffing in 2027. We do not want any children to be stuck in classes that are too big or only have a few kids, but this relies on us knowing who will be here.

If you suspect you may be moving house, travelling overseas or you know your visa is expiring, please communicate this to office as soon as possible.

If you have a child starting school in 2027, please visit the VicStudents portal via this link <https://students.educationapps.vic.gov.au/s/> to create an account and complete the online application form **ASAP** given that offers are now being send out.

Parent Requests for 2027

I do like to invite parents to put in writing any information about their child/ren that they want considered by our staff as they go about forming our new grades for 2027. The information you provide should focus on your child's needs (whether they be academic, medical physical, emotional or social) and the type of person that you believe they respond to best. Please refrain from identifying a specific teacher as it may lead to disappointment for you and your child. We ask that you complete a request even if you have communicated with a staff member at any stage during the year as this will ensure we have an up-to-date record.

A new request also needs to be completed, if you have made a request in previous years. To ensure we have a centralised place for all the requests we ask that you submit a separate request, via the link below, for each of your children and be mindful that naming specific teachers or friends will not be considered as this makes the process far too difficult.

<https://forms.gle/uhpq398YeWXwsVAY6>

Requests must be submitted **by 4pm on Monday 9 November**. Using this information, we can then endeavour to select the teacher who we think will best meet your child/ren's needs as well as the needs of their 2027 classmates.

Please take note that there is no school on **Monday 26 October**. [DS Sports](#) will be offering childcare if you need it, but you will need to register ASAP to secure a place.

Tuesday 3 November is also s public holiday. This will mean that students are not required at school on both days.

Kind regards,
Amanda Ellaby
Executive Principal

GRADES OF THE WEEK

Each week our classes earn points during their Specialists' class by:

- Putting their hands up when they want to contribute (respect).
- Keeping their body parts to themselves (safe).
- Being truthful, accepting the consequences of their actions (responsible).

There is also a bonus point for the grades that line up straight and tall!

The class with the most points hosts Puggles for the week...and if a class wins Puggles three times then they will get a pizza party!

Congratulations 1/2C and 5/6C being our grades of the week in the first week of Term Four!

Our Preps have made a great start to Term 4, settling back into familiar routines such as our morning and Bond Blocks routine. They have also been learning to line up in alphabetical order and have quickly memorised their new spots. We are proud of how well they have picked up this new routine and are looking forward to a great term ahead!

Prep A's Morning Routine

1. First	2. Next	3. Then
Change your reader	Put your pencil case and classroom reader on your desk	Sit on the mat ready to learn showing 5L's
		

Prep B's Morning Routine

1. First	Next	3. Then	4. Last
I change my reader	I write today's date in my Phonics book	I read for 5 mins until the bell goes	I sit on the mat and Ready to learn showing 5L's
			

The students had a wonderful time participating in our First Aid Incursion! They learned about potential dangers, how to respond to emergencies and how to seek help, while developing important life skills.

Our Prep students have finished a review of some of their key learning this year, covering topics like numbers, colours, shapes and fruits & vegetables. Next, they will start to learn how to write numbers in Japanese kanji.

Grade 1/2 have been learning about the names of clothing items in Japanese. Students practiced the names of different clothes whilst identifying the matching item of clothing on themselves.

Grade 3/4 continue to make strides in learning the Japanese writing system of Hiragana. Students reviewed their previous learning and practiced key concepts such as stroke order and how to find correct Hiragana characters on a chart.

Our Grade 5/6 students have been learning how to ask and tell the time in Japanese. They are building on their number knowledge to express hours and minutes, and practising asking "Nanji desu ka?" (What time is it?) and responding in Japanese.

SWIMMING PROGRAM

This year the school's swimming program will take place at Splash's Learn to Swim school, Stud Road Dandenong.

Learning to swim is a crucial part of your child's growth and development and an important component of the school curriculum. Splash's Learn to Swim school focus is to provide high quality experienced instructors in an environment where students of all ages are able to progress rapidly. The approach to the Swim & Survive program is two prong: water safety & stroke development. Auswim qualified instructors who will focus on providing an environment that enables students to fulfill their swimming potential will run the classes.

The swim sessions will be 45 minutes in duration. Qualified instructors will teach ability groups of a maximum of 8 students. Students will be transported by bus between WPPS and Splash's Learn to Swim school, by Victorian Touring Coaches throughout the day.

Please approve on XUNO by **4pm on Wednesday 21 October** to secure your child/rens position for this program.

You will also need to complete this electronic Swimming Skills assessment form for each of your children participating in this swimming program: *Published when available!*

This form needs to completed by **4pm on Wednesday 21 October**.

Parents will be welcome to meet us there to watch their child's swim progress. If you would like to help your child dress after swimming, you **must have a Working with Children Check**. This is a legal requirement that Splash's Learn to Swim school must adhere to. Any parents wishing to attend will need to make their own way to and from the centre as we **do not** have any spaces available on the bus. Please note, that while we encourage parent help during this time, it is also important to assist the children in further developing their independence, and to learn to dress and dry themselves.

SWIMMING WEEK

SUNSMART REMINDERS

At Wooranna Park we promote being SunSmart in the playground and during physical education sessions year round.

Australia has one of the highest rates of skin cancer in the world due to its strong UV rays, and children are particularly vulnerable. Here's why it's essential:

1. Prevent Skin Cancer

Skin cancer is the most common cancer in Australia, and early sun exposure significantly increases the risk. Educating young students about sun safety can help protect them throughout their lives by reducing their risk of skin cancer later on.

2. Skin Damage Prevention

Unprotected exposure to the sun can cause immediate damage like sunburns and long-term damage like premature aging and skin damage. Teaching kids how to protect their skin early on helps them develop healthy habits to prevent these issues.

3. Building Lifelong Habits

By instilling good sun safety habits from a young age - like wearing sunscreen, seeking shade, wearing protective clothing and avoiding the sun during peak hours - students will carry these habits with them into adulthood.

4. Raising Awareness of UV Index

Australia has a high UV index, which means even on cooler or cloudy days, UV rays can still harm the skin. Educating students about the UV index helps them understand when sun protection is necessary, regardless of the weather.

5. Supporting Health Education

Sun safety education is an important part of a broader health curriculum, teaching students not only how to protect themselves from harmful environmental factors but also the importance of looking after their overall well-being.

Ways to Teach SunSmart Habits:

- **Wear protective clothing** (wide-brimmed hats, long sleeves etc.).
- **Use sunscreen** (SPF 30 or higher) and reapply it regularly.
- **Seek shade** during peak UV times (between 10 am. and 4 pm.).
- **Wear sunglasses** with UV protection when outside.
- **Encourage water breaks** and staying hydrated.

By teaching children to be sunsmart, you help ensure their health and well-being as they grow, equipping them with the knowledge to protect their skin for life.

SUN SAFETY

WEAR A HAT & SUNGLASSES

To ensure that every child has their hat and/or sunglasses when needed, we kindly ask that you encourage your child to leave their sun smart items at school.

This will help us make sure they are always prepared for outdoor activities.

CURRICULUM DAYS

The following days have been endorsed by School Council:

- Friday 22 May
- Monday 24 August
- Monday 26 October

Students do not attend school on these days. DSSports will be providing childcare on these days.

On the last day of Terms One, Two and Three we have an early dismissal time of **2:30pm** and on the last day of Term Four we finish at **1:30pm**.

COMMUNICATION

Wooranna Park Primary School recognises the importance of the partnership between schools and families to support student learning, engagement and wellbeing.

Your child's teacher will offer you a range of opportunities to communicate with them including:

- ✓ XUNO
- ✓ School diary
- ✓ Formal meetings
- ✓ Before/After school chats

If you do not have access to XUNO please contact our school Office and find out how you can obtain it as XUNO will be used several times each week so we want everyone to have access.

FACEBOOK

Please like our [Facebook page](#). This page will be used by the school to inform families and the public of events and updates at the school. Feedback and discussion with parents/carers are welcome, but the school will not use Facebook for this purpose.

Please contact the school directly if you wish to discuss matters, as per our communication process. Only this [Facebook page](#) is endorsed by the Principal. Any other Facebook pages are not officially authorised representatives of the school.

CONTACT DETAILS

It is very important the school has your most current emergency contact telephone details, home and e-mail address.

If you change telephone details or home and e-mail address at any point, we ask that you update the school with your accurate contact details as soon as possible.

STUDENT SUPERVISION

Please note that our school grounds are supervised by school staff at the following times:

- Before school from 8:30am to 9am
- Throughout recess and lunch
- After school from 3:30pm to 3:45pm.

Our gates are locked each afternoon at 3:45pm. Students in the school grounds after this time will be cared for at [DSSports](#) at the family's expense.

The school grounds are not supervised outside of the above times.

It is important that families understand that the park, opposite the school, is not supervised by staff before or after school.

While some families use this area as a meeting place, please know children must be supervised by an adult, as per the Greater Dandenong Council's direction.

BREAKFAST CLUB

Breakfast is available for all students from 8:15am.

MORE IMPORTANT DETAILS

OUT OF HOURS SCHOOL CARE

DS Sports will be providing Outside School Hours Care at Wooranna Park Primary School from 3.30pm to 6pm, every afternoon, Monday to Friday.

DS Sports provides an adventurous and stimulating After School Care program, in a safe and inclusive environment.

DS zones are a place for growth and nurture the building of life-time skills. Our zones incorporate Health, Play, Leisure, Language, Real Life Connections and promotes the building of positive relationships with peers and our staff.

All families are strongly encouraged to register their child/ren for DS Sports as it is free to enrol and while you are under no obligation to use this service it does provide support for you in the event of an emergency. For information about this program, please contact this service directly at:

<https://www.dssports.org/wooranna-park-primary>

MOBILE DEVICES

In line with the Department of Education's [Mobile Phone policy](#), all phones brought to school must be switched off and stored securely in the front Office, during the school day.

A **mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to **mobile phones and any device** that may connect to or have a similar functionality to a mobile phone such as a smartwatch.

When a student is not complying with this mobile phone policy, we will be required to follow a process in accordance with our existing student engagement policies.

LUNCH ORDERS

Subway lunch orders are available each Friday. There is a pre-ordering system and orders must be placed via XUNO **by 4pm each Tuesday** for the Friday's lunch.

Late orders cannot be accepted.

SAFETY

All bike and scooter riders are required to wear a bike helmet in Victoria.

Approved helmets have the Australian Standards Mark TM (AS/NZS 2063) and will be marked as suitable for cycling.

Children under the age of 12 may ride on footpaths, as can a supervising adult. They are required to give way to pedestrians and to wheel their bicycles over pedestrian and children's crossings.

Also, by law everyone must wear a seat belt when travelling in a car in Australia

SAFETY EXPECTATIONS

Shared expectations of staff, parents, carers and students to support positive student behaviour are set out in the [Respectful, safe, engaged: shared expectations to support student behaviour statement](#).

- **Students** are also supported by school staff to meet expected standards of behaviour as outlined in our [Student Wellbeing and Engagement Policy](#), [Inclusion and Diversity Policy](#), [Bullying Prevention Policy](#)
- **Staff** must follow our school and department policies and the [Victorian Public Service Code of Conduct and Values](#). Teaching staff also adhere to the [Victorian Teaching Profession's Code of Conduct](#).
- **Parents and carers** play a vital role in helping their child understand and meet shared behaviour expectations. Additionally, information about the expectations of parents and carers to ensure schools remain respectful and inclusive places is outlined in the department's [Respectful Behaviours within the School Community Policy](#).

It is important that we model to our children Road Safety, by using the pedestrian crossing to cross the road and always follow the School Crossing Supervisors' directions.

As a driver you must **STOP** at the pedestrian crossings when someone is crossing the road. Please be advised that the pedestrian crossing on Apex Street is **no longer supervised**.

Please note, that while this is a convenient place to cross Carlton Road, it is not a supervised crossing and visibility is very difficult when cars are parked along both sides of the road.

Please use the roundabouts at each end of the school to safely turn around, rather than doing a U-turn in front of the school, particularly given there are a lot of young children around.

As the sign on the gate indicates, the **Staff Car Park** is for **Staff only**. The high volume of vehicles moving in and out increases the risk of accidents, especially since children may not be easily visible to drivers.

Please ensure that you travel at the **40kmph Speed Limit** around our school.

Helmets

Please make sure your child is safely fitted with a helmet before leaving home on either their bike or scooter. This illustrates that we are all working together to teach our children to stay safe and responsible whilst recognising that our young people need adult guidance and teaching on important routines such as helmets. More information of [bicycles and scooters safety](#) is available online.

The behaviour of staff, parents, carers and students has an impact on our school community and culture. We must acknowledge our shared responsibility to create a positive learning environment for the children and young people at our school

KISS & GO ZONE

We are a very lucky community with both Carlton Road and Wondalga Avenue available for parking before and after school.

It is important to understand that the parking directly outside of the school's main entry is a now **Kiss and Go Zone** before and after school. This means:

- **Do not leave your vehicle**

To assist with traffic flow, drivers should remain in the car whilst children get in and out.

- **Be timely**

If your child does not get in or out of the vehicle within 2 minutes you must leave and re-enter the Kiss & Go zone.

- **Child safety**

Please ensure children get in or out of the vehicle on the kerb side. The back seat is the safest seat for children to travel in. Ensure children have their restraints securely fastened before driving off.

- **Stay in sequence**

Drop off or pick up your child close to the top of the zone, as far forward as possible. This allows vehicles following you to enter the zone in an orderly manner.

- **Driver duty of care**

Observe traffic when entering or leaving the zone. Use your indicator to advise when moving into or out of the zone.

- **No U-turns**

Do not do U-turn in busy school zones. They are dangerous and put children at risk

Please ensure that you travel at the **40kmph Speed Limit** around our school.
