

XUNO Family App User Guide

Hi there,

XUNO Family is an app that will help make communication with the school quick and easy - giving you access to a wealth of information, without having to sit at a computer.

To log in, follow these steps:

- 1. Download XUNO Family from the App store (iOS) or Play store (Android)
- 2. Open the app
- 3. If asked, please allow push notifications for the most convenient experience with the app
- 4. Search for your school by typing the first few letters and then selecting your school from the list that appears.

If you have forgotten your password or Username, you'll need to head to your school's Xuno website to reset it. If

you're not sure what the web address is, please contact your school or look for an email from Xuno which may have the address in it. The web address usually includes your school's name.

For example: https://fakehighschool.xuno.com.au - or - https://xuno.fakehs.vic.edu.au

Please note: Schools may choose to disable certain XUNO features at their discretion - if you don't see some of the menu items contained within this user guide, it may mean that the school has chosen not to enable it. If you are intrested in using a particular feature, or can't see a menu item that you've been asked to use by the school, please contact the school directly to discuss your options.
